Request for N-STEPS Support Yellowstone River 2016 DEQ.docx

Hi Tina;

Attached is the filled-out NSTEPs request form with our modifications included. Please let me know if there is anything else we need to do. Please note that I was unable to properly “check” the boxes at my end so you might want to clean those up a little (thanks).

We are on target to get the document we want reviewed out the door near the end of this month.

Thanks, Mike
